## EDUCATION

<b>JB institute of engineering and technology</b>	2020 – 2024
Bachelor in technology in Computer science	CGPA – 7.1
<b>Prathibha Junior College</b>	2018 – 2020
XII State board	percentage–92%
<b>Udaya memorial High School</b>	2018
X SSC	CGPA–8.8

## PROJECT

### Feedback management system

HTML · CSS · PHP · MYSQL

- Feedback management system for college. It is a software for collecting feedback from students on faculty on various parameters.
- Has features like generating circulars makes it usable for authorities for decision making.
- This application evaluates different parameters separately which helps faculty understand fields where improvement is needed.

### Portfolio

HTML · CSS · Javascript

- A portfolio website which is responsive to different view ports.
- Includes a trending feature of toggling between light mode and dark mode.

### Bitwise operation on images

Python · OpenCV

- This application performs bitwise operation on images.
- Used computer vision library to read images.

## SKILLS

HTML  
CSS  
Javascript  
Java · Python · PHP

Github ·

## ADDITIONALS

- Member of student organization at college. Codehub
- Participated in event management for an event (Smart India hackathon) at college

## OTHER INTERESTS

- Data Science and Machine learning
- Cyber Security
- Game Development
- Playing games
